

Ring Devices & WiFi Boosters

All Ring devices must be removed from your account. Please follow the below steps:

How to Remove a Ring Device from the Ring app, so a New Tenant Can Use It

Open the Ring app.

Tap the three lines on the top left.

Tap Devices.

Select the device you want to release from your ownership.

Tap Device Settings.

Tap General Settings.

Select Remove this Device.

If the ring device is not removed from your account and mobile device by May 31, 2022, there will be a \$50.00 per day charge. The deposit will not be returned until the Ring information is deleted from your mobile device.

Leave all owner-supplied WiFi Boosters in your unit.

The replacement cost for a missing booster is \$150.00 per booster.
