

## General Move out Information

- The lease ends at midnight on May 22, 2022, or May 23, 2022. You must be out by this time; work is scheduled to begin the day after your move-out. (Please refer to your lease or reach out to Bettina for your exact date)  
**Please leave all bedroom doors open after you vacate.**
- The May rent WILL be pro-rated. This has already been set up on your Tenant portal.
- I would suggest canceling any automatic payments you have set up to ensure no accidental payments are made after you vacate.
- If you have turned on your alarm/camera/ring system, please notify your provider to cancel the service. You also need to log out of all of these systems if you have set them up. (there is a separate page that discusses how to log out of the Ring system)
- Please refer to the Cleaning Information tab/page for cleaning instructions.
