

Ring Devices & WiFi Boosters

All owner-supplied Ring devices must be removed from your account. Please follow the below steps:

How to Remove a Ring Device from the Ring app, so a New Tenant Can Use It

Open the Ring app.

Tap the three lines on the top left.

Tap Devices.

Select the device you want to release from your ownership.

Tap Device Settings.

Tap General Settings.

Select Remove this Device.

If the owner-supplied ring device(s) is not removed from your account and all mobile devices by May 31, 2024, your house will be charged for replacement ring device(s) and installation.

Leave all owner-supplied WiFi Boosters with the furnished cords in your unit. The replacement cost for a missing booster or any furnished cords is \$150.00 per booster.
